

WELCOME TO **KOII**

UI Style Guideline

Koi stands for Knowledgable, Open, and Infinite Internet. Koi is a protocol focused on infrastructure to bring true decentralization to all dApps in the Web3 space. Koi has a fully self-sustaining ecosystem driven by the KOII token.

Logo

Main logo – Finn timer

You can use our logo with Finn timer inside a circle or without it

You can also only use Finn timer, inside the circle or without it
